Compact and Bright

Multiple Inputs

Brilliant images

BOXLIGHT

CP-630i

For presentations on the road, this **LIGHTWEIGHT** machine has the features and power that you've been looking for. The CP-630i is powered with **1600 ANSI LUMENS** of brilliance, to let you run your presentation in virtually any lighting condition. Its true **800 X 600 SVGA** resolution is instantly compatible with most laptops. You can even **CONNECT MULTIPLE COMPUTERS** and a peripheral system simultaneously, to go from one presenter to the next. At only 7.2 pounds it's **EXTREMELY PORTABLE**, and set-up is easy with its manual zoom/focus. And with features like **DIGITAL ZOOM**, digital keystone correction and a wireless remote control, your presentations will always be polished.
